

# Double Combo Tower – S&S

TOWER RIDES

## DETAILS

New Double Combo Tower from S&S available for sale.

The ride is a Double Tower (2 rides) that connects with a bridge. Both of tower are Combo Towers combining the legendary Space Shot and Turbo Drop into one hair-raising amusement attraction. Each ride has twelve seats (12) and a mesmerizing height of 57,6m providing a good capacity with brilliant views.

Possibility to purchase both towers (incl. the connecting bridge) or just one tower.

Completely new ride ready to be installed.
