

Fly Away – Huss

MAJOR RIDES

DETAILS

Fly Away by Huss available for sale!

Fly Away is a spin-type adrenaline ride that is designed after one of best selling Huss rides Enterprise. In this attraction, passengers lie on their stomachs to simulate the sensation of flying and passengers "glide" in a diagonal circle of almost 20 meters in diameter. The ride can rotate forwards or backwards, and tilt to rotate horizontally or vertically. The ride has 18 double gondolas giving a total capacity of 36 passengers. The rotating star has a diameter of 18 meters and is mounted on an access platform of 22 meters diameter.

Fully refurbished in 2022!

- LED lights and console
