

Volare – Zamperla

ROLLER COASTERS

DETAILS

Volare roller coaster by Zamperla available for sale.

Volare is a Flying Coaster from the Italian manufacturer. The ride features a 391-meter track with cars where passengers are placed in a lying-down position to experience a sense of flying. The ride has 6 single-car trains with 4 seats each.

Relatively low operational hours as the ride has been in summer use only.
