

XT-150 SkyLoop – Maurer

ROLLER COASTERS

DETAILS

XT 150 SkyLoop, manufactured by Maurer Rides, available for sale

The ride consists of a 150-metre track with two inversions to thrill the most extreme riders. Small footprint with a great theoretical capacity of 600 riders per hour. Vehicle chassis have recently been replaced and the ride comes with extensive spare parts inventory and additional inspection ladders/platforms.

Excellent condition.
