Roller Ball - RES

Details

Roller Ball by RES available for sale!

The Roller Ball is an adrenaline-pumping ride designed for thrill-seekers. Riders experience a freefall sensation as they plummet down a vertical track, with cars rotating independently for added excitement. Seating 4 passengers per car, with 3 cars available, for a theoretical capacity of 360 passengers an hour – for the small footprint, this ride is perfect for maximizing guest engagement in a compact setting.

Additional information available upon inquiry.
