Electric Mini Train - STS Consulting

Details

Electric Mini Train by STS Consulting for sale!

Designed for versatility and efficiency, this compact attraction is ideal for shopping malls, parks, and leisure spaces where maneuverability and space optimization are essential. Its narrow design allows it to navigate tight areas with ease, making it a practical and appealing transport solution for guests of all ages.

Quiet, clean, and reliable, it ensures a smooth ride experience while supporting environmentally conscious operations throughout the entire year. T his electric mini train stands out as a dependable attraction solution for both indoor and outdoor venues seeking a unique and engaging guest experience.

Comes with a beautifully decorated stand!
