

## Geister Fabrik - Ride Technic

### Details

World's largest mobile interaction dark ride, Geister Fabrik, available for sale!

An immersive interactive dark ride experience featuring a thrilling Shooter Game with approximately 100 targets to engage and delight all ages.

This transportable attraction delivers spooky fun with detailed theming, dynamic lighting, and real-time scoring for competitive gameplay. Designed for maximum flexibility, Geister Fabrik travels on 11 trailers, including 4 mid-sectioned units for efficient setup and breakdown—perfect for parks or traveling fairs seeking a high-impact, high-replay-value addition.

According to EN13814 and TÜV available.
