LSM Coaster - Intamin

Details

LSM Coaster by Intamin available for sale!

The Intamin LSM Coaster offers powerful launches, exceptional ride dynamics, and a world-class passenger experience. Powered by Linear Synchronous Motor (LSM) launch technology, this coaster eliminates the traditional lift hill and delivers instant, smooth electromagnetic acceleration with powerful explosive force. Featuring a long track layout with varied three-dimensional undulations, it integrates high-speed straights, steep dives and rapid twists, offering sustained high-speed thrills and multiple weightlessness moments for riders.

More information available upon inquiry.
