Super Spin - Zamperla

Details

Super Spin by Zamperla available for sale

The gravity driven nature of Zamperla's Super Spin insures a different ride experience each and every cycle With its dynamic motions, light package, and compact footprint, the Super Spin is the ideal addition to any park's lineup. It is a perfect first touch of thrill rides for the whole family, as the required height of rider is only 120cm.

Low operational hours as the ride has been in use only summer time. More information available upon inquiry.
