

Surf Rider - Intamin

Details

Surf Rider by Intamin available for sale!

The Intamin Surf Rider delivers a dynamic and family-friendly attraction, combining smooth swinging motion with an engaging surfing-inspired experience. The vehicle slides back and forth along a curved track at high speed, reaching the peak height repeatedly. Riders experience alternating upward lifting and downward gliding motions, reproducing the ups and downs of riding huge waves. It balances dynamic speed and comfortable viewing, fitting for all age groups looking for moderate thrills.

Additional information available upon inquiry.
